## LIQUOR LICENSE PLAN OF OPERATION

Per Chapter 4-60-040(h) of the City of Chicago Municipal Code, the Local Liquor Control Commission has authorized the issuance of a liquor license to the below named business entity and business location under the following conditions:

1. The hours of business operation are:
  - a. Monday-Thursday 11:00 a.m. – 10:00 p.m.
  - b. Friday-Saturday 11:00 a.m. – 12:00 a.m.
  - c. Sunday 11:00 a.m. – 9:00 p.m.
2. All alcoholic beverage servers must have a current certificate of completion from a BASSET approved alcohol sellers training program and retain for its records a copy of each employee's approved certificate.

The conditions of this license are legally binding and may be enforced by City of Chicago enforcement authorities under MCC 4-60-040(h). Violation of the above stated conditions may result in the imposition of a fine and/or suspension or revocation of all business licenses issued to the licensee. Violations of the above stated conditions may also result in the issuance of cease and desist orders prohibiting the activity which violates the conditions of the liquor license.

The conditions of the liquor license shall apply to the business address and licensee and to all officers, managers, partners and direct or indirect owners of the entity of which is licensed. The sale of the business to other persons purchasing the stock or membership units of the licensed entity does not void the conditions of the license. Any and all potential new owners of the licensed entity shall be subject to the same conditions set forth in this statement.

It shall be the duty of every person conducting, engaging in, maintaining, operating, carrying on or managing the above mentioned business entity to post this Liquor License Plan of Operation next to the Liquor License in a conspicuous place at the business address.
